

The Alphabet Monster

This is a great song for children to play on the keyboard,
xylophone and other instruments

The hypothetical Alphabetical Monster came to town
To eat up all the letters and letters and - gulp them down
He said "I've eaten the letter A, and I've eaten the letter B
But the letters I love the most of all are **C D E**"

C D E E D C C D E E D C

Now he wrote a letter to his mum, you know - the usual kind of stuff

'Cos mums they tend to worry if their kids don't eat enough
He wrote, "I've eaten the letter F, and I've eaten the letter G
But the letters I love the most of all are **C D E**"

C D E E D C C D E E D C

One day he got really hungry and ate the entire alphabet

His tummy felt quite rumbley - as well you might expect

He was sick upon the floor, as sick as sick could be

Up came the letters S and T, U and P and then an I and D *and that spells*

S T U P I D

C D E E D C C D E E D C etc...
