

Casanova

He's the train, they call the Casanova
He's a two timing hurting flirting diesel with a one track mind
He's got "HELLO GIRLS" - written all over
With a string of broken hearts at every station
Up and down the line

He's a sleazy weasel of a diesel
Not the sort of train you'd like to take home to meet your mum and dad
You can trust him - as far as you can throw him
He's a SUPERCILIOUS NARCISSITIC CAD

He's the train, they call the Casanova
He's a two timing hurting flirting diesel with a one track mind
He's got "HELLO GIRLS" - written all over
With a string of broken hearts at every station
Up and down the line
