

The Wrong Way Round Cowboy

Verse 1

The wrong way round cowboy
Clever was something he ain't
He woke up at noon brushed his hair with a broom
And cleaned his teeth with black paint
He rolled into town, the wrong way round
The strangest sight you have seen
He rode straight through them red traffic lights
And stopped...just as they turned green *singing*

Chorus

Whoopie Ti I O Whoopie Ti I A

Whoopie Ti I Whoopie Ti I O

Whoopie Ti I O Whoopie Ti I A

Whoopie Ti I Whoopie Ti I O

Verse 2

Now Wrong Way Round dun fight
Quick Draw McGraw from Kazoo
They rolled on the ground and a crowd gathered round
The way a crowd always do
Then they stood back to back and slowly walked
Their six guns loaded with lead
Wrong Way turned - he was first to draw
He fired...and shot himself dead *singing*

Chorus
